Dear Mayor Litman and City Council members,

Targeted economic development is a critical endeavor for the future of Mesquite.

With issues such as the addition of Exit 118, opportunities for business development require dedicated, experienced and focused effort. We feel that MRBI has the experience and expertise needed to build long standing relationships with the community and bring new businesses to the Virgin Valley.

We understand the challenges of managing budgets and priorities during these demanding times. We ask you to consider the importance of this investment in the future of Mesquite as you make your determination.

Thank you for your attention.

Sincerely,

Patty Holden, FACHE, CEO
