Mesquite Regional Business, Inc. has played an intricate role in the planning and executing of the necessary steps for our latest business venture in Mesquite, Nevada. With the help of both Gaye Stockman and George Gault, we have been able to easily expedite the processes required to obtain licensing and permits for new community members. They have provided us with ongoing support through many aspects of our business. They have been instrumental with referrals, networking opportunities for new employees as well as assistance with promotional events.
